

EVENTS: battles, deaths, injuries.

Freeborn County's involvement with the war was with the men who served; the units are listed below.

August 20-September 26, 1862: battles and attacks on the prairies rage, while those at home deal with uncertainty and fear, newspaper reports that are sometimes accurate and sometimes exaggerated, aiding refugees, and worries about their loved ones on the farms, in the towns and on the battlefields.

September 26, 1862: see **Camp Release; the state breathes a sigh of relief.**
